## NEW on our website

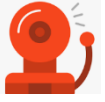

Each week we will continue to upload information on to our school website for you.

### Holidays and food programme for the May half term.

Go to – homepage NOTICEBOARD

We had a very successful evacuation practice on Wednesday morning.

No-one knows when the alarm will go off and it's important that we practise to know how to keep everyone safe in our school community.

We are VERY proud of all of the children for making their way safely to the playground with the staff.

Huge thanks to Hina and her husband for donating the carrier bags for your Magic Breakfast to go home in.

Thanks to those parents who took the time to thank staff for the Magic Breakfast bags. It's a huge job making sure everyone gets what has been delivered.  
Enjoy 😊

# Happy half term 😊

## Hand Breath

**What you need:** a quiet space

### What to do:

- Close your mouth and breathe in and out through your nose.
- Hold out your left hand.
- With the index finger of your other hand, trace the fingers of your left hand.
- Breathe in as you trace up a finger, breathe out as you trace down a finger.
- Continue a few times through all fingers.

## Home Base 1, 2, 3

**People:** 2 or more

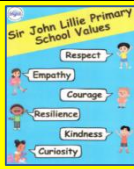

### How to play:

- One person starts at a home base and counts to 60.
- All other players hide.
- Once the counter has finished counting they attempt to find the players who are hiding.
- All players who are hiding attempt to get back to the home base without being tagged by the counter.
- If they make it back to the home base, they shout 'home base 1, 2, 3.'
- The first player caught by the counter becomes the counter on the next round. If all players successfully make it home without being caught, the same counter counts again.

# Happy half term 😊
