Did you see the women's football match between Chelsea and Barcelona last week?
Two of our girls were invited to be mascots for the teams.

They walked in with the players at the beginning of the match and stood on the pitch before the game.

Congratulations to Kimmy and Harper.

Many congratulations to Angus Roy who has been voted parent governor.

The role of parent governor is to bring a parent's view to the strategic decisions that are made by the governing body.

We would like to thank Libby Gwyther Pomeroy for her interest in the position of parent governor and her continuing support for the school.

We had a musical assembly last week delivered by Sherry's Music Academy.

We heard music played on a violin, a viola and a cello. These string instruments were accompanied by the piano and a snare drum and cymbal.

They surprised us by playing a song we sing in assemblies and we all joined in.

Huge thanks to Ashton House School

Very sadly, Ashton House Independent school in Isleworth, closed in the summer. They very kindly invited us to collect some of their wonderful resources for us to use at SJL.

We have been donated dressing up clothes, computers, exercise books, maths resources, staging and much more.

Many thanks to Simon for being so generous and enabling our pupils to enjoy the amazing resources.

Dodgeball competition

Children from Year 3 and 4 took part in a dodgeball competition against schools from the local area at Fulham Cross Academy last week.

This is a new sport for us but the teams did themselves proud by winning many of their matches.

Year 6 graduate from Into University

Last week, Year 6 took part in a week long Into University workshop where they learned all about Performing Arts and Theatre. Throughout the week, Y6 looked at the history of theatre; took part in various drama activities - acting out the beginning of Macbeth; they looked at what it would be like going to University and started to think about what they may want to do later on, and they researched and created a presentation and poster about an influential person in the Performing Arts world. The week culminated at North Eastern University, London where the year group presented their research and graduated from Into University!
