Parent consultation

Thank you to all of you who have signed up to meet your child's class teacher next week.

This is an opportunity for staff to share how well your child is doing and to share some targets.

Appointments are 10 minutes long. Staff are unable to give you more time on the evening.

If you have other information you would like to discuss please make an appointment with the member of staff you wish to see.

Please be on time ☺ If you are late we may not be able to give you the full 10 minutes.

School journey to Marchants Hill meeting date and time **Tuesday 24th February** at 3.30pm in the middle hall.

Thursday 5th March 2026

Come to school dressed as your favourite book character or wearing your pyjamas for a day full of book fun!

The new menu from the Pantry is on our website

This menu starts after February half term.

Please take time to talk to your child and help them choose from the delicious choices.

Respect is one of our school values and we treat everyone with respect in our school.

We are always very happy to meet with you to discuss an idea, worry or concern.

If you wish to talk to a member of staff, please ensure you follow the Behaviour Policy guidelines for parents and carers.

Parents and carers are expected to respond to the school's concerns about their children, to answer or return phone calls and letters and to treat all staff with respect in order to support their children's behaviour, learning and well-being.

Parents and carers are expected to act appropriately and show respect towards staff, children, and other parents and carers whilst in the playground area, in the building and outside the school gates.

Children and mobile phones in school

You will have seen on the news that there is a big push to have mobile phone free schools.

We have never allowed children to use their mobile phones during the school day.

We thought we would share the section in our Online Safety Policy for you.

The "Phone-Free" School Environment

In line with the DfE mandate, this school is a mobile-phone-free environment. This is to ensure a calm, safe, and focused atmosphere, protecting pupils from the distractions and safeguarding risks (such as cyber-bullying and access to inappropriate content) associated with personal devices.

8.2 Year 5 and 6 Protocol

We recognize that some parents may wish their children in Year 5 and 6 to carry a mobile phone for safety while traveling to and from school independently.

- **Storage:** Any mobile device brought into school must be switched off at the school gate and handed directly to the school office/class teacher and signed in upon arrival.
- **Security:** Devices will be stored in a secure, locked location (e.g., the school office) and will not be accessible to pupils at any point during the school day, including lunch and break times.
- **Collection:** Phones may be collected at the end of the school day and signed out by pupils.
- **Emergency Use:** If a pupil needs to contact home during the day, they must do so via the school office.

8.3 Recommended Device Type

In line with the "Smartphone-Free Childhood" movement and DfE recommendations, we strongly encourage parents to provide children with a **basic "brick" phone** (calls/texts only) rather than a smartphone. This meets the travel safety need while removing the risks associated with internet access, social media, and AI-driven apps.

8.4 Breach of Policy and Confiscation

Any pupil found in possession of a mobile device during the school day will be subject to the school's Behaviour Policy:

- **Immediate Confiscation:** The device will be confiscated and stored in the school safe.
- **Parental Collection:** Confiscated devices will only be returned directly to a parent or carer, not to the pupil.
- **Search Powers:** Under the Education and Inspections Act 2006, staff have the power to search a pupil's bag or locker if they have reasonable grounds to suspect a prohibited item (including a hidden phone) is present.
- **Examination of Content:** If there is a "good reason" to suspect the device contains harmful or illegal material (e.g., deepfakes or evidence of cyber-bullying), the DSL (Sue Hayward) will be informed, and the device may be examined in line with the procedures in Section 6.3.

Mobile phone ownership

Independent travel

Friendships at secondary school

* To make the most of this important session we are unable to have younger children in this session

You can see the curriculum we deliver every day on our website.

www.sirjohnlillie.lbhf.sch.uk

Sometimes, like every school, we have to adapt our timetables to accommodate an education visitor, an impromptu assembly, a change in weather (can't do PE outside and all halls are being used), an evacuation etc.

If you have any questions or would like more information about the things your child is learning in class, please speak to your child's class teacher.

Working together

We believe and value the partnership we have with yourselves.

There are many skills your children will benefit from learning from both at home and school.

Please teach and encourage your child to use cutlery.

A knife, fork and spoon.

We have noticed more and more children unable to use these important tools at lunchtimes.

Help us to grow this lifelong skill for your child.
