KS1 BEACH TRIP

KS1 had lots of fun playing at the beach on Friday. They built sandcastles, buried each other's feet in the sand and had great fun with their water pistols. The sun shone all day so they cooled down with a paddle in the sea and an ice lolly before coming back to school. What an AMAZING day they had! Thank you to the parents who came and helped KS1 at the beach!

Year 4 have had a great final half term and have done lots of exciting things. As part of our Open City architects project, a group of us went to Westminster Hall where we celebrated our achievements. We even got to get on stage and make a human statue of one of our favourite buildings.

Can you guess what it is?

We also all got to go to the Chelsea football ground for the end of our Happy Healthy Me programme. It was great sitting in the terraces looking at the pitch.

We are very proud to share a piece of writing by Charlie in Year 2.

Charlie takes great pride in his handwriting and makes the content of his writing very interesting too.

Be very proud Charlie 😊

L.O: To write a fictional recount

Hi Bob
Yesterday was so much fun because I had a fantastic ride on Herbert. I saw lots of colourful fish. I think I counted 152. How colourful they were! At lunchtime I had an amazing lunch at King Neptune's Palace. What a tasty lunch it was! I had fish and chips. Yum! In the afternoon I went diving for shiny, golden coins. I found gold coins, shiny rubies and sparkly emeralds. I'm going to give the jewels to King Neptune because he's making a necklace for the Queen Tomorrow. I might go and play a game of hide and seek with my merfriends. Will you come and visit me?

We'd like to **Thank you** again for your understanding in changes to dates for events and cancellations of some events due to the hot weather.

Your children have been amazing over this challenging time - we are very proud of them 😊

We would also like to say a **HUGE THANK YOU** to one family in our school who donated £50 for us to buy ice pops and lollies for the children throughout the school to keep them cool.

This is so generous of you and very much appreciated 😊
