Dear Parents and Carers of pupils in **years 5 & 6**,

We have invited a popular and experienced practitioner, Kat Francois, into school this term to work with your children on aspects of the PSED curriculum that have not yet been covered. This includes Online Safety workshops and Relationships & Sex Education including Puberty. For more information please take a look at her website [katfrancois.com](http://katfrancois.com). Kat has been delivering these sessions at SJL for many years now and the children have found her sessions to be engaging and reassuring.

If you would like to find out more about the content Kat is planning to deliver, including seeing the resources she will use with the children, and if you have any questions you would like to ask her, please join the **Zoom meeting** she has arranged for parents **next Tuesday** by clicking on the link below.
