We are asking parents to complete **four** questionnaires over the course of a year and you will get **£40 of vouchers** if you complete them all.

You will take part in a **free** 13 week programme for parents, which is designed to help parents build positive relationships with their children.

About the programme

Strengthening Families Strengthening Communities (SFSC) is a free inclusive course to help parents and carers raise happy confident children, from ages 3-18 years.

This is a popular programme for anyone raising children. We welcome parents and carers from all backgrounds who would like to build on their parenting skills and build positive relationships with their children.

SFSC runs for 3 hours a week for 13 weeks. Some groups provide free childcare and refreshments

All groups end with a celebration and you will receive a certificate and a parent manual.
