*Delivering Parenting Programmes in
Hammersmith and Fulham*

WELCOME TO OUR 2022 SPRING PROGRAMME

Congratulations to parents that completed parenting programmes in our busy Autumn 2021 term. Your positive feedback and enthusiasm encouraged us to extend the repertoire of parenting programmes on offer. We continue to offer blended spring programme and will offer in person courses as well as online courses and workshops. UPG continues to support families, elders, and individuals in the local community and are committed to making a difference!

HELPING TO REDUCE THE SPREAD OF COVID-19

At UPG we believe everybody needs to continue to act carefully and remain cautious. This is why we are keeping in place key protections for everyone working on site or visiting our centres.

All visitors to our centres will be asked to do their bit and take personal responsibility to help prevent the spread of Covid-19. Help us to keep everyone safe by doing your bit when you visit us:

- Follow the public information campaign – wash your hands, cover your face, make space
- Always wear a mask when onsite unless exempt
- Do not visit our centres or attend services if you display Covid-19 symptoms
- If you develop Covid-19 symptoms please let us know

in exchange we will:

- Ensure our premises are cleaned regularly and thoroughly giving you peace of mind
- Ensure all our rooms are well ventilated and laid out to allow you to socially distance
- Conduct thorough risk assessments and review these regularly
- Let you know if you have come into contact with someone who has tested positive for Covid-19
