Dear Parents and Carers,

Year 3 will be taking part in a very exciting project!

Schools in London will be taking part in an art project, led by the globally renowned artist, Steve McQueen, along with the Tate gallery. Every Year 3 class in London has been invited to take part in one of the largest group portraits ever made and to see their class photograph among thousands of others in an exhibition at the Tate Britain art museum in London.

We have signed up to be part of this project and our very excited about seeing our Year 3 class photograph become part of this artworks. As part of the project, a photographer from Tate is coming to school for a workshop on **Tuesday 15th January 2019**. This will then be followed by a class photograph of the Year 3 children, teachers and support staff.

After the class photograph has been taken, it will appear as part of the free public exhibition at Tate Britain from November 2019 until May 2020 along with thousands of other class photographs from primary schools London-wide. You will have the opportunity to visit the exhibition and we will keep you informed of our involvement in the project and how you can take part.

The class photograph that appears in the exhibition will not name any pupils. Once the exhibition is over, the photograph will be returned to the school and Tate will keep a copy in its archives, as they do with all the artworks in their national collection, so that they can show the artwork again should there be a future exhibition.

If you agree for your child to participate in the class photograph and for this to be displayed and stored at Tate as part of this national artwork, **please sign and return this letter to Miss Patterson by Friday 11th January.**

If you have any concerns, please come and see me.

Thank you for your continuing support

Miss Patterson
Year 3 teacher
