Headteacher: Sue Hayward

Thursday 31<sup>st</sup> January 2019

Dear Parent/Carer

We have been invited to take part in an intergenerational project developed by Imperial College London.

This fabulous opportunity involves children working alongside members of the older generation who are being looked after in Charing Cross Hospital.

Every other Thursday afternoon, the children will spend an hour in a variety of workshops with these patients. These workshops include art, drama and music. The first session will take place on Thursday 7<sup>th</sup> February 2019.

Your child has been chosen to take part.

I have included a letter from Dr Charlotte Lance who is in charge of the project in which she explains the project in more detail, including the benefits for the children and the patients.

The children will be accompanied by school adults and will walk to and from Charing Cross hospital. The sessions are after lunch and your child will be back before the end of the school day. Please fill in the consent form below to give permission for your child to join in with the project and Imperial College London will also need you to fill in the attached form.

During a couple of the sessions, food and drink will be available to the children. Please list any food allergies your child has on the permission slip.

If you have any questions, please do not hesitate to contact me.

Thank you for your continuing support.

Amanda Bates  
Deputy Headteacher
