Dear 1J and 5B Parents and Carers

We have a range of teaching opportunities at Sir John Lillie Primary and this year we have two teachers on the Teach First course.

As a requirement of their training they have to teach in a different Key Stage for two weeks.

For the next two weeks Miss Brook will be teaching class 1J and Miss Jarmson will be teaching class 5B. Both teachers have support from colleagues and have been having observation time in each other's class for a few weeks.

We have successfully supported Teach First teachers here in previous years and assure you we will continue to ensure your child has high quality teaching whilst we fulfil the requirement of the Teach First course.

If you have any questions, please do not hesitate to come and chat.

Thank you for your continuing support.

Sue Hayward Angela Alder
Headteacher Teach First Mentor
