Hello

It's been a very busy term. Trips to the Wetland Centre, sports events, orchestras visiting, visits from amazing scientists, science week, Kidzania, Into University, cake sales, world book day, booster classes, clubs, and so much more. All this as well as our amazing learning every day.

It is my pleasure to share with you that we are very proud of the learning behaviour across the school. When you walk around there is a calm atmosphere and each class is engaged in activities to support their academic, social and emotional development. Children are proud to 'have a go' and to talk about their learning, not only from the lesson they are in, but from previous learning too.

You should be very proud of your child. Please continue to support them by reading with them and getting them into school every day and on time. It makes such an enormous impact on their well-being and self-esteem.

We'd like to wish you a very happy and relaxing Easter holiday. Stay safe ☺

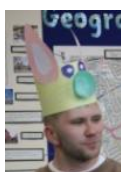

In Design and Technology, 2P have spent this half term learning how to sew. They have perfected the running stitch in the final design of their pouches!

Easter bonnet parade

We had the most spectacular Easter bonnet parade this morning. Thank you to all our families who spent time together creating the most interesting and attractive bonnets. A few for you to enjoy ☺
