# Happy New Year!

Welcome back to the spring term ☺

We hope you enjoyed your holiday.

Your children have returned with very good learning behaviour and a 'spring in their step'.

We are looking forward to working in partnership with

## Google Classroom

**Every child** in years 1 to 6 has a Google Classroom login and password.

Homework is uploaded on to Google Classroom each week for your child to complete.

Homework can include number bonds, key words, phonic activities and times tables. Your child will also be expected to read regularly with you at home.

We also upload the KNOWLEDGE ORGANSIERS for each subject your child studies. These are information sheets giving you facts about each topic they will be learning about in the half term. There are

## School attendance and absence

This information is from the Gov.uk document  
<https://www.gov.uk/school-attendance-absence>

You must make sure your child gets a full-time education that meets their needs (for example if they have special educational needs). You can send your child to school or [educate them yourself](#).

Children must get an education between the school term after their 5th birthday and the last Friday in June in the school year they turn 16.

**You'll be contacted by either:**

- the school - if your child is enrolled in school and does not turn up (even if they're only absent for a day)
- the council's education welfare officer - if they think your child is not getting a suitable education at home

You can be prosecuted if you do not give your child an education. You'll normally get warnings and offers of help from the local council first.

You can [get education and attendance information from your council](#)

### When your child can miss school

You can only allow your child to miss school if either:

- they're too ill to go in
- you've got advance permission from the school

There's [extra support available](#) if your child cannot go to school for long periods because of a health problem.

### Holidays in term time

You have to get permission from the head teacher if you want to take your child out of school during term time. You can only do this if:

- you make an application to the head teacher in advance (as a parent the child normally lives with)
- there are exceptional circumstances
- It's up to the head teacher how many days your child can be away from school if leave is granted.

You can be **fined** for taking your child on holiday during term time without the school's permission.
