Peckwater Centre
6 Peckwater Street
London
NW5 2TX

Tel: 0203 3317 5076

Dear Parent/Guardian,

Did your child miss the annual flu vaccination in school?

This vaccination programme is in place to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

We offer catch up clinic appointments in the community for any child who has missed their vaccination in school. Please call our office on **0203 3317 5076** to make an appointment.

We have provided paper consent forms for this vaccination. Please complete a consent and bring along to your clinic appointment. Please kindly complete a form if you do not wish for your child to be vaccinated and return to the team via email.

If you have any questions please contact the immunisations team on 0203 317 5076

The vaccination is free and is a quick and simple spray up the nose. As flu viruses change each year, a new vaccine has to be given each year to protect your child.

More information is available at www.nhs.uk/conditions/vaccinations/child-flu-vaccine/ and includes answers to common questions and details about the small number of children for whom the nasal vaccine is not appropriate.

The nasal spray vaccine contains a very small amount of purified porcine gelatine as an essential ingredient to keep it stable and able to work. For those who may not accept medicines or vaccines that contain porcine gelatine, a flu vaccine injection is available.

CNWL share your clinical information with other healthcare professionals involved in your care, to support better informed clinical treatment and help reduce clinical risk. A patient information leaflet is available on request from services and further details can be found on the Trust website

Central and North West London NHS Foundation Trust, Trust Headquarters, 350 Euston Road, Regent's Place,
London NW1 3AX

Wellbeing for life

Last year, most children offered the vaccine in schools had the immunisation. Please be aware that we may have already visited your school this year.

If you have any queries please contact the immunisations team on 0203 3317 5076

Yours sincerely,

Immunisations Team

If your child becomes wheezy or has their asthma medication increased after you return this form, please contact the immunisations team on 0203 3317 5076

If you decide you do not want to vaccinate your child against flu, please return the consent form giving the reason. This will help us plan and improve the service.
