Christmas is a moment of fun,
Autumn seasons are finally done.
Colourful lights, foods and sounds,
and snowflakes appearing floating down.

Christmas dinner, gifts and cheer,
colder seasons drawing near.
Turkey, dinner, crackers there,
winter season everywhere!

Daniel

The choir have performed, for the first time this year, at the Ideal Home Exhibition in Olympia.

They sang the 'Christmas rap' and three children wrote their own raps to be included in the instrumental parts.

All the kids just love a tree,
and making snowmen - can't you see?

Christmas is a time for milk and toys,
and a handful of presents for girls and boys.

All the stockings on the wall,
Christmas day is such a ball.
Just one more present for everyone,
and this special day will be such fun!

What presents are under the tree?

Christmas is best time to be festive,
Turkey once a year,
this is where the Santa loves to be,
Maybe I will get a lump of coal,
or the toy I have been looking for.
I am starting to get stressed.

Have I really been my best?

Blake

Erin

The choir will be singing at Bishop Creighton House, High Street Kensington and Hammersmith Tube stations, and Chelsea Football Club over the next few weeks.

Brain nibbles..... This weekend you could...

...visit the Christmas tree made out of books at St Pancras station.
