### Do you know what your child is doing when they are on their phone or tablet?

It is **SO** important that you set parental controls on EVERY game that your child uses on their device or your phone, if they use your phone.

Your children are taught about how to stay safe online

**PLEASE** help us to keep your child safe by regularly checking their activity on line. Please call Pedro if you would like support or go to our school website to PARENT/Advice & Help/ONLINE SAFETY.

To all the parents who stayed – thank you ☺

A team of 12 children from years 5 and 6 played in a dodgeball competition earlier this week.

We were so pleased with their skills, resilience and team spirit.

Congratulations to you all!

## Puzzle

### Time

- Can you name all the months of the year in order?
- How many months have 31 days?
- How many months have 'er' at the end?
- If you add all the days in the months with 31 days and then add all the days of the months with 30 days, THEN take away the smallest number from the biggest - what answer do you get?
- Can you make a word search using the months of the year?

We raised £87 at the doughnut sale – thank you 😊
