May	
Half term	27 th May to 31 st May
June	
Thursday 27 th	Sports day
Friday 28 th	School closed – staff training
July	
Wednesday 24 th	Last day of summer term

On Wednesday, Year 2 visited the Wetland Centre to take part in activities in nature.

They built nests, hunted for minibeasts and enjoyed watching two otters swimming. Before coming back to school, they had lots of fun playing in the adventure playground.

Year 2 said it was the best day ever!

During Science week we had a visit from Cecilia who shared her expedition to Antarctica. We learned about different species of penguins and how they feed their chicks. We also learned how wide an albatross wing span is and that they fall off the cliff to start flying. It was an amazing assembly and we learned so many facts.

For our science week topic 'Time', we have been planting cress seeds in Year 3. We will check daily to see how they grow.

We thought about what units of time would be best for this experiment and we decided that it would be days.

In Year 3, we were very lucky to welcome a mechanical engineer from Imperial College called Margarida. She has a mechanical engineering PHD in understanding skin. We talked all about the design process including how to plan, build, test and improve 3D models.

Easter planner 2024

2nd April - 12th April

Design your Easter bonnet ready to wear next Thursday in school.

Things to do this weekend

Create your own garden.

You can plant seeds anywhere. Have you eaten an apple or a pear recently? Take the seeds from the core and plant them in some soil. See how long it takes to grow into a shoot.

Every day counts. Every minute counts	Percentage of children in school every day these past five days. (F/M/T/W/Th)	How many children late these past five days.
Class		
1L	95.7%	5
2A	91.3%	8
3P	90.7%	14
4H	90%	6
4M	95.6%	10
5T	88.5%	10
6H	93.3%	11
6P	93.3%	6
OVERALL	92.2%	70 😊

Our whole school attendance target is 96% for all pupils.

Please ensure your child is in school every day.

Every day makes a difference.
Every minute makes a difference.

A façade engineer visited during science week.

Reem, a façade engineer, visited early years, years 1 and 2 this week to talk about her job. She showed us pictures of the buildings she helped build. It was very inspiring as she used to be a student at SJL too! The children had so much fun trying on hi vis vests, goggles and hard hats. They also had a chance to investigate with a model crane.

Puzzle

Time

How many ways can you make the number 84?

How many words can you make using the following letters?

s	h	t	e
o	e	g	l
a	n	p	i
b	y	u	d
