Help us make school runs safer and healthier for your family!

Drop-in session afternoon of 1st May- 3.30-4.30pm

Dear Parents and Carers,

Given concerns about road safety around Sir John Lillie Primary School, we're working with Hammersmith & Fulham Council to make drop-offs and pick-ups safer and healthier for your children.

We're exploring ideas to clean the air, green the area and make it easier to walk or cycle to school.

We want these improvements to be led by parents. They can include better bike parking facilities, landscaping or other air quality improvements.

Please join us for a drop-in session with H&F's School Streets Plus team on 1st May between 3.30-4.30pm in the ground floor.

This is your opportunity to learn more and directly shape the future improvements. If you cannot attend, you will be able to still provide feedback online.

Details on how to access information and share your views will be provided in writing later this week.

Thank you for your continuing support.

Sue Hayward
