## Online safety

As a parent or carer you play a key role in helping your child to stay safe online

This weekend, please give some time to your child to talk about

- what is okay and not okay to use their phone or computer for.
- what APPS they are using. Remove any that are not age appropriate.
- talk about time limits and expectations of where their phone and computer can and cannot be used at home. E.g. all devices are not used during meal times or an hour before bedtime.
- leaving phones in the lounge when they go to bed.
- how to stay safe and tell you about anything they are worried about straight away so that you can lock the screen or report the issue.

Please also look at the parental controls on all devices to ensure your child is only able to access games and websites suitable for their age.

For more ways to keep safe visit the Online Safety page on our school website for more helpful tips and advice.

## Puzzle time

Can you work out the total of the + sums?

Can you work out the total of the X sums?

(If you turn the page at an angle the + turns into a x for the red numbers.)

Can you add the totals together?

Answers on the newsletter page next week.

## Brain nibbles...

Things to do, places to go, ideas to have fun, think and relax ...

It's FREE to say hello to a full-size dinosaur grazing in a Jurassic garden, come face-to-face with the earliest mammals as you walk through the grassland and woodland of the Natural History Museum.

Invite your family to spend time together playing a board game. Or learn a new card game like 'Happy Families' or 'Crazy 8s'.

Think about the composers we've talked about in assembly. Can you find other tunes composed by them?

It's FREE to pop to the science museum and explore Maths.

## Attendance

Your child's regular attendance at school is SO important.

Being in school every day supports your child's

- learning
- friendships
- builds resilience
- encourages routines and expectations
- participation as a member of a team and community.

If your child is going to be absent, please

1. phone school 0207 385 2107 asap
2. leave a message on the answerphone

If you do not inform us where your child is we will

1. send you a text
2. wait for your reply
3. if you don't reply we will call you.

Please read our attendance policy on the school website for further information.

Our school target is 96%.

Congratulations to 2A and 3W for exceeding the school target in the past 5 days ☺

Class	% Fri 13 <sup>th</sup> to Thurs 19 <sup>th</sup> September
1S	86.5%
2A	98.2%
3W	96.1%
4H	85.8%
5T	95%
6P	92.6%

## Squash at Queens Club

Our first group of Year 5 pupils have started their squash lessons at Queens Club.

Over the next few weeks they will learn how to hold the racquet correctly, work with the ball, learn the rules of the game and play some matches.
