Autumn has arrived at SJL

Have you seen our Virginia Creeper changing colour?

Higgins constructors, who are building the new flats on Lannoy and Hartopp point, are kindly working with us too. They are building new planters, repairing benches and painting areas of the playground to freshen up our environment.

On Wednesday 2nd October we had a phonics and reading workshop in our school library. Thank you to the parents and carers who joined us for this event.

If you would like to find out about how we teach phonics and reading at school and how you can support your child with reading at home, visit our school website where you will find helpful information and videos.

You can find this information by clicking on:

Learning and Teaching - Curriculum – Reading and Phonics

and then clicking on the

Little Wandle Letters and Sounds Revised badge.

Have you any ideas for parent curriculum workshops?

If you have any ideas for parent curriculum workshops you would like us to deliver, please talk to Angela or email in to the school office. admin@sirjohnlillie.lbhf.sch.uk

Starting school – reception 2025

If your child was born between 1 September 2020 and 31 August 2021, they will be starting reception in primary school from September 2025.

You can start applying for a school place from 1 September 2024 when the applications open. **The application process closes on 15 January 2025** and the national offer day is 16 April 2025.

If you have any queries about how your application will be considered, speak to the school admissions team on 020 8753 1085.

The [eAdmissions website](#) is open for you to register your details and to make an application for a reception place.

A message from our CLT (Children's Leadership Team)

Hello Yellow Day

On Thursday 10th October, it is Hello Yellow Day.

Everyone should wear something yellow and bring in £1 to help us fundraise for the Young Minds charity.

The charity helps young people struggling with their mental health by giving them the support they need.

Together we can create a brighter future for young people's mental health.

Attendance

Our school target is 96%.

Congratulations

to 2A for exceeding the school target in the past 5 days ☺

Working together

We believe and value the partnership we have with you.

There are many skills your children will benefit from learning both at home and in school.

Please teach and encourage your child to tie their shoelaces

Help us to grow this lifelong skill for your child.

Our newsletters are ALWAYS put on our school website and we now email them to you too.
