The Children's Leadership Team (CLT)

have been very busy this week.

On Wednesday, they introduced 'Hello Yellow' day delivering a PowerPoint presentation in assembly.

They would like to thank everyone who contributed a £1 for wearing mufti on Thursday.

We raised £131. This will be sent to the Young Minds charity.

Today, the CLT have hosted Ben Coleman MP.

After a tour of the school Ben was interviewed by the CLT. You can see the interview next week on the CLT page on our website. It was a marvellous opportunity to learn how Ben became an MP, what he does for his constituency and what he hopes to do in the future. Thank you Ben, we really enjoyed your visit.

Working together

We believe and value the partnership we have with you.

There are many skills your children will benefit from learning both at home and in school.

Reading with your child daily is a great way to encourage confidence, develop knowledge, grow an imagination, and a love of learning.

Please take time to look at books, posters, leaflets, newspapers, magazines, comics, instructions and recipes. Take time to read on your way to school, at home, on the bus or when doing activities together.

Help us to grow this lifelong skill for your child.

You could make up a game to help you learn your times table. These are on the newsletter page on the website.

Talking is so important to our growth as a person.

Ask each member of your family to choose a topic and then, when you sit down to eat, start conversation about that topic.

Share your thoughts, opinions, ideas with each other.

Visit Fulham Palace for free and enjoy walking around the beautiful grounds in the crunchy autumn leaves or pop in the house.

On Saturdays in November they have gardening activities for children. 

Why not read the school newsletter together and try and do the puzzle?

Our newsletters are ALWAYS put on our school website and we now email them to you too.
