For 'No pen day' Year 5 were in two teams.

In their teams they had to collaborate to work out the meaning of words.

They used their oracy skills to organise their teams, roles and to have discussions.

This week Years 4 and 6 have had a visit from the **Dr Me project**. The workshop was about self-care.

The children were given scenarios (e.g. you have had a sore throat for two days but you can still drink water - what should you do?) in their groups they had to decide if they would go the GP, stay at home or go to A&E.

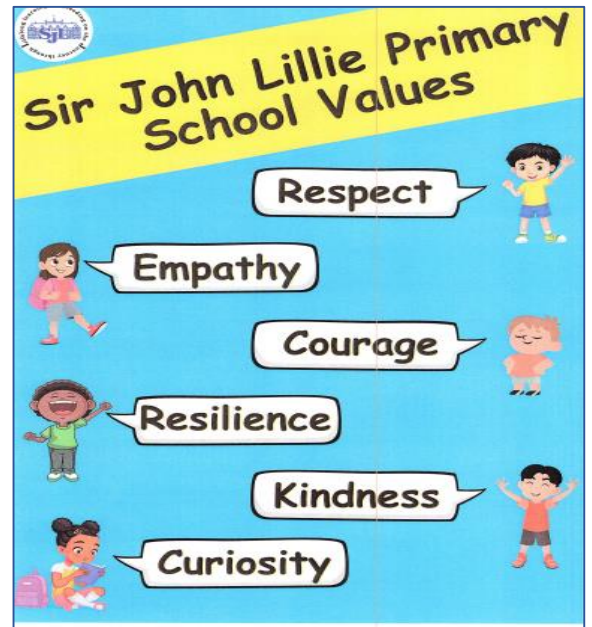

It was interactive and fun! They were given a talk by the student doctor and then repeated the activity again to see if they would change their decision.

# Celebrating our values

We have introduced a school value award and each week we will be celebrating these in assembly.

Kindness	Resilient	Year
Shavia and Cairo		1
Jacob	Savannah	2
Zahayliyah	Muhammad	3
Kimberley	Reema	4
Lauchlan	Ayan	5
To be awarded next week		6

## What a load of rubbish!

It was Year 4's turn to go to the Riverside Waste Authority Recycling Centre this week.

They learnt about how rubbish and recycling is sorted and separated, and where it goes next. They discovered that much of the waste from the local boroughs is burnt to make electricity.

Their visit helps them to understand the environmental impact of our waste for their Science topic on the environment and conservation.

## No pen day!

Year 4 used their knowledge from their trip and science topic to create collages on recycling and deforestation.

They had to work together to create the poster **WITHOUT** using any writing Implement e.g. a pen, pencil etc.

## Word of the week

Do you know what this word means? Can you use the **word of the week** when you are having chatter-time this weekend?

**courage**

## Brain nibbles.... things to do this weekend ...

GLIDE at Battersea Power Station.

You can ice skate if you wish or walk around looking at the lights and the market stalls.

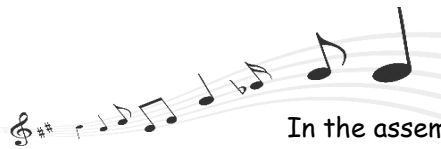

Ask everyone in your family to make a list of all the activities that you like to do and decide in which order you will do them over the Christmas holiday. Maybe write each one on a strip of paper and pull one out of a dish everyday as a surprise 😊 .

Camels, Christmas Carols and live music on **Sunday 1<sup>st</sup> December** along Fulham Palace Road

Fun starts at 2pm by St Etheldreda's Church.

## Composer Info

In the assembly today we learned about **Freddie Mercury and**

**Johann Sebastian Bach**

Go to the music page on our website to listen to some of their famous pieces of music.,

Thanks to Frank for suggesting Freddie Mercury and Sean for recommending Johann Sebastian Bach.

Get active! Set yourself a challenge to try the quick exercises below in between being on your PlayStation, watching TV, having lunch, or sitting chatting with family. Make it a family challenge 😊

## Alphabet Scavenger Hunt

**What you need:** One or more players, a piece of paper, a pen and a stopwatch / clock.

### How to play:

- Find an object beginning with the letter A, bring it back to your start point and write the word of the item on your sheet.
- Continue for the entire alphabet.
- Playing against someone else? Who can complete the alphabet in the quickest time?

How quickly can you find the alphabet?

## 6 in a Row

**What you need:** 6 shoes, two dice, a line marker e.g. dressing gown rope or a line on the floor and two or more players.

### How to play:

- Place the 6 shoes in a row on the line.
- The two players begin at opposite ends of the shoes with one dice each.
- The shoes are numbered 1 - 6 from each player's end so one player's #6 will be their opponent's #1 etc.
- Roll the dice and run to the shoe with the corresponding number. Move that shoe to the right side of the line.
- Run back to the dice and roll again.
- The winner is the player to have all 6 shoes on their right of the line, or whomever has the most shoes in 4 minutes.
- Make this easier by playing first to four shoes.

Roll and run!

Please support them by bringing them in to school every day.

## Puzzle time

Can you put the numbers 1 to 8 in each of the squares so that each side adds up the middle number?

Answers on the newsletter page for today on our website.

Year 5 walked to Latymer Upper School last Friday to listen to a music recital by some pupils.

It was such a wonderful opportunity
